Mi è piaciuto [(Monsters in the Movies : 100 Years of Cinematic Nightmares)] [By (author) John Landis] published on (September, 2011) il modo in cui i personaggi si sono sviluppati attraverso la storia, specialmente Guerline. Un sacco di colpi di scena [(Monsters in the Movies : 100 Years of Cinematic Nightmares)] [By (author) John Landis] published on (September, 2011) e sorprese che non mi aspettavo. Raccomando vivamente questo libro e sono molto emozionato per un seguito.
